QUICKSTRAP

QUICKSTRAP is the new TBKITEBOARDING set of pads and footstraps.

The nylon tongues are simply hand screwed into your board, using stainless steel inserts.
Once setup, the straps can't be lost.
Compatible with almost all boards available on the market
QUICKSTRAP is yet another innovative and exclusive system, featuring on all TBKITEBOARDING boards.
Patent pending.

Super easy setup and adjustment.
Extreme adjustment range, with or without boots.
two-side strap-pad adjustable to fit your style.
Ultra comfortable footbed.
One hand adjustment possible while riding.
Pre angulated Nylon tongue with SS screw.
