

**NEW  
2008**

**OZONE**  
ALL SEASONS >> ALL KITESPORTS

➤ Other brands have some features...  
Ozone's Megatron Chickenloop has them all!

## **YOU ASKED FOR:**

- A retrofitable, interchangeable, replaceable safety system.
- A wide mouth chickenloop for effortless unhooking and hooking back in.
- A fool-proof, intuitive release and reload safety system, simple even with snow gloves on.
- A method to easily untangle your middle lines, 'a spinning handle'.
- A system that exceeds all Kitesurf/Snowkiting loading and release EU NORM safety standards.

**YOU GOT IT!**

## **BUT WE DIDN'T STOP THERE . . .**

- New control systems
- New ergonomic bar design
- New speed and stall systems

For more info go to . . . [www.flyozone.com](http://www.flyozone.com)

# OZONE'S COMPLETE CONTROL SYSTEM

Designed to work in harmony with the kite so you can concentrate on dialling that latest trick!

## 1 ELASTIC LINE FASTENERS

Keep your lines tidy while stored. Attached from bottom of bar horn so doesn't get tangled when winding your lines up.

## 2 SOFT FOAM INNERS

Saving your fingers from painful bar bash when kitemooring or handlepassing.

## 3 CLEARLY COLOUR CODED BAR ENDS

## 4 BAR INSERT LOCATOR

For effortless unhooked re-loading.

## 5 SUPER SIMPLE ONE HANDED PIN RELOAD SAFETY RELEASE SYSTEM

## 6 LARGE SMOOTH RELEASE HANDLE

Positively tested release even with ski gloves on.

## 7 CHICKEN LOOP

Made from stealth black super wear resistant PU with spliced Amstel inside.

## 8 COMPOSITE COMPRESSION MOLDED BAR ENDS

Positively tested to 350kg.

## 9 BULLET-PROOF REPLACEABLE BEAL TRIM LINE

## 10 CONICAL POLISHED STAINLESS STEEL INSERT

Top and bottom reduces both trim line wear and enables effortless turning capacity.

## 11 ERGONOMIC SPINNING HANDLE

No more tangled power lines.

## 12 WIDE GENTLY CURVED ERGONOMIC BAR ENDS

That won't poke you in the ribs.

## 13 ALL HIGH QUALITY STAINLESS STEEL HARDWARE

## 14 EXPERT LEASH RING ATTACHMENT

Results in tangle-free leash.

## 15 SWIVELLING CHICKEN FINGER

Offers optional use.

## 16 WIDE-MOUTH CHICKENLOOP

For super easy hooking in or out. Makes hooking in after nailing your moves stress-free.

Other brands have some features... Ozone's Megatron Chickenloop has them all!

At Ozone, we're proud of our reputation as the innovators of snowkiting and the makers of the finest snowkites on the market.

We've been perfecting snowkite design since 2001, to give you the ultimate tool for kiting on snow and accessing killer terrain. But it's not just snow kites, our expertise stretches across all kitesports, with unbeatable landkites, surfkites, paragliders and paramotors as well.

The best for ultimate thrills and maximum safety, all Ozone kites are thoroughly tested by our industry leading teams. Whatever your kitesport, you need to be able to trust your kites implicitly, so our focus is always on performance, safety and quality – with no compromise!

Ozone is a professional company, at the forefront of kitesports innovations, expertise and excellence, but we're also passionate riders, enjoying our sport to the max... see you out there!
